'Man', Christian Science Lesson Subject Sunday

The healing effects of recognizing man's true status as the perfect image and likeness of God is considered in the Sunday Lesson-Sermon on "Man" in all Christian Science churches.

Paul's declaration to the Romans (8:14) is the Golden Text: "As many as are led by the Spirit of God, they are the sons of God."

According to Luke's Gospel Jesus requested a man with a withered hand to "Rise up, and stand forth in the midst." He then said to the scribes and Pharisees, "I will ask you one thing; is it lawful on the sabbath days to do good, or to do evil? to save life, or to destroy it?" Then "he said unto the man, stretch forth thy hand. And he did so; and his hand was restored whole as the other" (6:8,9,10).

In "Science and Health with Key to the Scriptures," Mary Baker Eddy writes, "Jesus beheld in Science the perfect man, who appeared to him where sinning mortal man appears to mortals. In this perfect man the Saviour saw God's own likeness, and this correct view of man healed the sick" (p.476).

Rev. Barnum to Discuss 'Thought Emancipation'

Rev. Earl D. Barnum, of the Church of Religious Science, in his sermon Sunday, will speak on "Thought Emancipation."

Services are held at 11 a.m. each Sunday in the Masonic Temple in Redondo Beach, Ruby and Catalina streets. The Children's Church, under the direction of Dr. Evelyn Earle and the Metateens (The teen-age church) under the direction of Adrain Bibee, M.F.S. also meet at 11 a.m. Mrs. Kaiser is in attendance to care for the infants and pre-church little ones, while parents attend services.

Lillah Beachamp is soloist and Gene Buck and Charles Bradshaw alternate at the console.

With reference to this subject, Rev. Barnum advises: A good prayer is always filled with the recognition of the Presence of God. This automatically wipes out any picture of undesirable conditions for the Spirit of God is a law of elimination and obliteration to everything unlike itself. The more exalted, the more heavenly, the more boundless and Godlike the thought, the more power it will have. This is why the greatest teacher became a Saviour. A spiritual genius would have to be a Saviour."

Purple Heart Benefit Show Features Top Entertainment

The Military Order of the Purple Heart County Council is sponsoring a gala benefit show to be presented the night of Saturday, September 22nd at the Redondo Beach High School Auditorium.

"Hollywood Varieties of 1951," produced by Jonathan Osman is an all star professional vaudeville show, will feature top entertainment from stage, screen and TV. One of the top names in motion pictures will act as master of ceremonies of the veteran sponsored event.

The Los Angeles County Council of the Military Order of the Purple Heart is charged with the responsibility of the welfare and rehabilitation of Purple Heart veterans who have been discharged from service and who live in towns having no local chapter.

Since this community is one of these the Council plans to establish a chapter in the South Bay area to serve the local veterans. Tickets are \$1.50 including tax, and children under 12 years will be admitted free if accompanied by parents.

Adrian Mayer, County Commander of the Military Order of the Purple Heart says, "There is a growing need for our work at this time and we expect this show to greatly further our welfare program. We urge the support of this area in supporting this worthy event."
